### NLP Coaching & Training - Tad James Company

In coaching, the Cartesian Questions Tool is a set of 4 questions that help your clients get new perspectives and understanding of what inspires and blocks them in making a decision - or seeking a particular goal. Use this tool to find new solutions and resources, identify secondary gains (the benefits of the client staying just as they are!) as well as other areas where we self-sabotage.

### Use The Cartesian Questions to Unblock Your Client and ...

John, a corporate coach, who specialises in NLP for business, is an imposing New Jersey native with the thick Sopranos accent to match, a ponytail and a fondness for Hawaiian shirts and Gothic bling.

### Messing with your head: Does the man behind Neuro ...

The Logical Levels hierarchy above highlights one a set of lenses to look through to understand someone in a useful way. If we interpret the words I can't though through NLP Logical Levels, we should notice the reference to capabilities. When I say I can't I am, in a literal sense, talking about my capabilities, meaning I do not possess the needed capabilities, mental and/or physical.
